

This is to certify that  
**Tech Guard**

Moher East, Mountrath, Co. Laois, Mountrath, R32H7R2, Ireland

Has been assessed  
by Terry Norton for IT Governance Ltd  
against the Cyber Essentials Scheme Test Specification

Level of certification: Cyber Essentials

Scope: Internet facing infrastructure for PC Tech Support (trading as Tech Guard), including firewalls and end user devices and hosted systems in Ireland.

Certification date: December 16th, 2019

Recommended re-assessment date: **December 15th, 2020**

Certificate no.: 4117662115316294

This Certificate confirms that the organisation named was assessed against the Cyber Essentials Requirements dated June 2014, and at the time of testing, the organisation's ICT defences were assessed to meet the Requirements. Cyber Essentials Certification indicates that the organisation has implemented a sensible baseline of organisational cyber security only, and implies no guarantee of effective defence against commodity cyber attacks circumventing this baseline. Organisations are recommended to define and understand the risks to their organisation and take all appropriate action to mitigate or reduce any issues, which may require a greater degree of rigour or technical investment than is required for Cyber Essentials alone.
